

Chemistry Social & Poster Session

Students are invited to present a poster at the 2002 Social Meeting of the Ames Section of the American Chemical Society. Posters must be mounted on self-supporting poster board and the dimensions are limited to 3 ft by 4 ft.

The poster session will be held on Saturday, April 27th from 3 - 4 PM and from 5 - 6 PM at the Carver Center at Pioneer Hi-Bred International, Inc. Participants should set up their posters between 2:30 and 3 PM. Refreshments will be provided and participants and their guests are invited to attend a special seminar. Dr. Lee R. Hagey, from the Center for Reproduction of Endangered Species at the San Diego Zoo will talk about how Giant Panda's communicate using chemicals. The seminar will be at 4 PM. **All are welcome to attend the seminar and poster session.**

Up to three cash prizes for outstanding posters will be awarded in each of three divisions: high school, undergraduate, and graduate. First prize: \$100, second prize: \$75, and third prize: \$50.

Students who wish to present a poster must register by April 20th by completing this form and sending it to Joe Burnett. Feel free to pass this application to your colleagues.
