Lesson Plan: French 1  Topic: Au Café and Regional Cuisine  Day:  3

**Materials needed:**

1. Computers with internet access
2. Headphones for each student OR speakers for the classroom
3. Google Earth installed on each computer

**Objectives (Students will):**

1. Review vocabulary (dishes and main ingredients) from Day 2
2. Learn how to read a menu in a French restaurant
3. Use Google Earth to discover different areas of France
4. Learn five new words (dealing with food) using authentic input

**Resources:**

1. Online review quiz
2. Podcast on learning to read a menu
3. Google Earth and website exploration assignment

**Activities:**

1. Online review quiz: 10-15 minutes
2. Café France Podcast 2: 8 minutes
3. Students to explore one of the seven régions of this unit and to explore an authentic menu from a restaurant in one of these regions. Look at restaurant’s menu online and explore the city where the restaurant is found using Google Earth. While looking at the menu in groups, students will record observations and look up 5 new words to present in a PowerPoint presentation (to be given on DAY 5) with images of each word: 20+ minutes

Helpful links and extension activities:

*Students use [www.wordreference.com](http://www.wordreference.com) to explore new food words used in context

*Students use screen capture or image from restaurant to create a digital postcard talking about what food they are eating at the restaurant
