

Accessing Veterinary Medical Electronic Books via ScienceDirect

March 2011

Accessing the collection

- The easiest and most efficient method of accessing the books is to go directly to ScienceDirect.
- Alternatively, if you know the title of the book or have title keywords, you should find a brief record using the “Quick Search” box on the library homepage. At the present time, there is minimal information on the records (e.g., no author, no subject headings).

Click on “More Databases” from the Veterinary Medical Library homepage OR click on “Article Indexes & Databases from the library homepage.

Find a Subject Librarian

Learning Connections Center

Browse the A-Z title list for ScienceDirect OR search for ScienceDirect using the search box. Click on the ScienceDirect (Elsevier) link.

The screenshot shows the 'e-Library' website interface. At the top right, there is a navigation bar with 'e-LIBRARY INDEX' and a highlighted 'A B C D E F G' menu. Below this is a main navigation bar with 'Home', 'Research Materials' (highlighted), 'Borrowing', 'Help / How To', and 'Computers & Equipment'. A breadcrumb trail reads 'Home > Research Materials > Search Tools > Article indexes & databases'. On the left, a sidebar contains links for 'Library Hours', 'Floor & tier maps', 'Remote Access', and 'Library Catalog'. Below the sidebar is a 'Ask Us!' section with contact information and a 'Find a Subject Librarian' link. The main content area is titled 'Article Indexes and Databases' and includes a 'Browse by title:' section with an A-Z index where 'S' is highlighted. A search box contains 'sciencedirect' and a 'Submit' button. Below that is a 'Browse by subject:' section with dropdown menus for 'main category' and 'subcategory'. At the bottom, a list item 'ScienceDirect (Elsevier)' is highlighted with a red arrow.

Scroll down the page. On the left-hand sidebar, there is a link to “Veterinary Science and Veterinary Medicine.” Click on this link.

The screenshot displays the ScienceDirect website interface. On the left, a sidebar titled "Browse by subject" lists various categories. A red arrow points to the "Veterinary Science and Veterinary Medicine" link under the "Health Sciences" section. The main content area features a green banner for "TOP 25 Hottest Articles" with a dropdown menu set to "[all subject areas]" and a "Browse TOP 25 archive" link. Below this is a "Quick Links" section with three columns: "Favorite Journals / Books" (with a "Manage Favorites" link and a login notice), "Quick Links in ScienceDirect" (with links for Alerts, Saved Searches, Top-25 articles, and Info site), and "Quick Links on the Web" (with links for adding quick links, SCOPUS, Scirus, Elsevier, and SciTopics). On the right, there is an "About ScienceDirect" section with a "Want to know more?" heading, a paragraph about the Sciverse ScienceDirect In site, and a "Find out more about:" section with links for switching on recent actions, setting up quick links and alerts, and customizing the site. Below that, a "Content on ScienceDirect:" section lists over 2,500 journals and over 11,000 books, with a note about online tutorials in multiple languages.

On the Advanced Search screen, click on the “Books” tab and highlight/select the “Veterinary Science and Veterinary Medicine” subject category.

The screenshot shows a search interface with a green navigation bar at the top containing links for Home, Browse, Search, My settings, and My alerts. Below this is a search bar with options for Articles (selected) and Images, and input fields for All fields, Author, Journal/Book title, Volume, Issue, and Page. A Search button is on the right.

Below the search bar are tabs for All Sources, Journals, Books, Reference Works, and Images. The 'Books' tab is highlighted with a red arrow pointing upwards. To the right of these tabs are links for Advanced search and Expert search, and a Search tips icon.

The main search area contains the following sections:

- Search:** Two input fields, each followed by an 'in' label and a dropdown menu set to 'All Fields'.
- AND:** A dropdown menu set to 'AND'.
- Source:** A dropdown menu set to 'All books'.
- Subject (select one or more):** A list of subject categories: Physics and Astronomy, Psychology, Social Sciences, and Veterinary Science and Veterinary Medicine. The 'Veterinary Science and Veterinary Medicine' category is highlighted with a blue background and a red arrow pointing from the left.
- Date Range:** Radio buttons for 'All Years' (selected) and '2001' to 'Present'.
- Volume and Page:** Input fields for 'Volume' and 'Page'.

A note on the right side of the subject list reads: "Hold down the Ctrl key (or Apple Key) to select multiple entries."

Example Search: Enter search terms, can select “All books” or “Subscribed books” (ISU has access to most everything in the list), choose the subject collection, and click on Search.

The screenshot shows a library search interface with the following elements:

- Navigation tabs:** All Sources, Journals, **Books**, Reference Works, Images
- Search options:** Advanced search | Expert search
- Search tips:** ? Search tips
- Search section:**
 - Search input: dog OR canine in All Fields
 - AND operator
 - Search input: diabetes in All Fields
- Source section:**
 - Source dropdown: Subscribed books
 - Open dropdown menu:
 - All books
 - Subscribed books** (highlighted)
 - My favorite books
 - Physics and Astronomy
 - Psychology
 - Social Sciences
 - Veterinary Science and Veterinary Medicine** (highlighted)
 - Instruction: Hold down the Ctrl key (or Apple Key) to select multiple entries.
- Date Range section:**
 - Radio buttons: All Years (selected), 2001, Present
- Volume and Page:** Volume [] Page []
- Search button:** Search | Recall search

Red arrows point to the search terms "dog OR canine" and "diabetes", the "Subscribed books" source selection, and the "Veterinary Science and Veterinary Medicine" subject collection.

Search Results: Note the number of items found. On the left-hand sidebar, you can refine the results by a specific book.
