August 9, 2004

STAT 328 – Fall 2004

Schedule:  Class: Tue, Thu 11:00 – 11:50, 1134 Sweeney
            Lab: Mon 12:10 – 2:00, 321 Snedecor

Instructor: Alicia Carriquiry
            102 Snedecor Hall
            Phone: 4-7782
            Email: Alicia@iastate.edu

TA:

Office hours: Mon 2:00 – 3:00, Tue 1:00 – 2:00, Thu 1:00 – 2:00, or by
appointment. I try to respond to questions over email as promptly as possible.

Grading: Grades will be based on two midterm exams, a final, and homework
assignments.
Assignments: 20% of the grade. There will be approximately 12 take-home
assignments during the semester. Your best 10 assignments will count for your
grade. Assignments and keys to the assignments will be posted on the course’s
web site.
Midterms: 25% of the grade each. There will be two mid-term exams, on or about
the weeks of September 27 and November 8. Exams will be in class, closed
book and closed notes. A formula sheet will be allowed. Keys to the mid-terms
will be posted on the course’s web site.
Final exam: 30% of the grade. The final exam will be comprehensive, in-class
and with closed book and notes. A formula sheet will be allowed. A key to the
final will be available upon request (will not be automatically posted on the
course’s web site).

Mendenhall and Sincich. 2003.

Class notes: I will make every attempt to post lecture transparencies on the
web prior to lectures. Notes will be posted often during the weekend, so make
sure to check the course web site before coming to class on Monday.
