Welcome to the 36th Annual Iowa High School Athletic Directors’ Association State Convention. This year’s convention will be one we hope you enjoy and can gain valuable learning experiences from its many sessions. Glenn Becker and Bob Sweeney have done a super job putting this year’s convention together. Please take a moment sometime during the convention to thank Glenn and Bob, and also any of the Executive Board Members for their efforts putting together a fine program.

I want to thank the IHSADA Executive Board and the Board of District Directors for all their support during the course of this year. I have had a tremendous experience during this term, as the quality of fellow educators is top-notch. It is because of our membership that our IHSADA is one of the top athletic director associations in the country and such an honor to represent.

A special thank you goes out to Bernie Saggau and his staff at the IHSAA and to Troy Dannen and his staff at the IGHSAU for their leadership and continued support of our organization. The IHSAA and the IGHSAU, like our Athletic Directors Association, always wants what is best for the young people of the State of Iowa.

The IHSADA Convention is for you, the membership. It provides a great opportunity to relax, unwind, rekindle old friendships, and make new acquaintances. It provides a great opportunity for each of us to grow professionally and take something back to our schools and communities that will help young people to be the best that they can be. If you know of a first-time attendee, please take the time to welcome them to the convention and share your expertise with them. Please make time in your busy schedule to visit our exhibitors and give them a big “thank you” for supporting the IHSADA.

I would like to thank several groups that made serving the IHSADA a privilege. I would like to express my gratitude to the membership that selected me two years ago to lead this organization, to the Executive Board, the Board of District Directors, the Administrative Team at Boone High School and the Boone Board of Education who allowed me the time to serve, also the coaches at Boone High School who helped out in times during my absences, and the IHSADA past presidents who have contributed wisdom as well. I am very honored to have had the opportunity to lead the IHSADA.

In closing, I would also like to thank my wife Mary Ann. She has truly been my inspiration and support during these many years of educating, coaching, and being an administrator. Also, our four children Katie, Nikki, Traci and Chad for always being supportive of the career path I have chosen.

Fellow members of the IHSADA – this is your convention. I urge you to get the most out of it as I hope you find it to be a positive and rewarding experience for you all. Remember, we all have great jobs as we truly can make a difference in the lives of the student/athletes and the school districts we serve.

Sincerely,
Larry Moklestad, President, IHSADA

Our Past Presidents

Bob White (1968-69), (1969-70) - Iowa City
Kermit Tannatt (1970-71) - Southeast Polk
George Hidinger (1971-72) - Jefferson, CR
