Welcome to the 37th Annual Iowa High School Athletic Directors’ Association State Convention. We are looking forward to an outstanding convention Bob Sweeney, Gary Ross, and other members of the Executive Board have spent many hours putting the convention together for our membership. Please take a moment some time during the convention to thank them for their efforts to put this year’s convention together.

I would like to thank the IHSADA Executive Board and the District Directors for all of their work, dedication and support throughout the year. The board members and the membership of this organization are second to none. The schools in the state are fortunate to have such outstanding leaders for the extra curricular programs we offer our youth.

Over the next few days, plan to visit the convention Exhibit Hall. Without the support of these people, it would be difficult to put on our State Convention. Please stop by their exhibits and tell them “thank you” for their support as well as seeing what is new in sports equipment.

I would like to say thanks to Bernie Saggau, Rick Wulkow and the staff at the IHSAA and to Troy Dannen and his staff at the IGHSAA for their leadership and continued support of our organization during the past year. Our close working relationship with these two organizations continues to make Iowa a national leader in providing outstanding programs for our students.

It has truly been an honor for me to serve as the President of the IHSADA and its membership. I will be forever grateful for the opportunity. A special thank you to the Odebolt-Arthur Community Schools Administration for allowing me the time to serve and their never-ending support as I carried out the responsibilities of the IHSADA. I would also like to thank the coaches, staff, and students of Odebolt-Arthur High School who have been so supportive during this past year.

A very “special thank you” to my wife Sally. She is truly my best friend and has been my most avid supporter during my education career. I thank her for always being there, her never-ending encouragement, and inspiration. She is a special “First Lady.”

This is your convention. Enjoy the fellowship with your fellow AD’s. What other profession has the opportunity to impact the present and future lives of so many young people?

Sincerely,
Glenn Becker
President, IHSADA

Our Past Presidents

Bob White (1968-69), (1969-70) - Iowa City  
Kermit Tannatt (1970-71) - Southeast Polk  
George Hidinger (1971-72) - Jefferson, CR
