Retirement Concerns
Welcome to the 39th Annual Iowa High School Athletic Director’s Association State Convention. This year’s convention will hopefully be rewarding for each of you in attendance. What a great opportunity to gain valuable learning experiences from the different mini-sessions, speakers, and LTC classes as well as the fellowship from interacting with our peers in the athletic arena! Dave Litterer and Brent Cook have done a tremendous job putting this year’s convention together. Hans Goettsch and D’Anne Kroemer, thanks for taking care of the program production and handling of the finances. When you are at the convention, please take a moment to thank each of these fellow athletic directors for their hard work and efforts. In addition, please thank the members of the Executive Board for their involvement in making the convention continue to be a great event.

I would like to take a moment to thank the members of the Executive Board and District Board of Directors – for their dedication and commitment to making the athletic programs in the state of Iowa top notch. What a great experience I have had during my term – working with outstanding peers, friends, and supporters! It is because of people on the Executive Board and District Directors that the IHSADA is truly recognized as one of the top athletic director’s associations in the country and an honor to represent this group. Past presidents – thanks for the guidance and support. We especially have our thoughts and prayers with the family of Past President Charles McGaffin of Winterset, who passed away this year.

A special thanks to Rick Wulkow and his staff at the IHSAA and Troy Dannen and his staff from the IGHSAU for their leadership and continued support of the boy’s and girl’s programs in Iowa. We sometimes take-for-granted this positive relationship that we have with our leadership organizations. These groups always want to do what is best for our students in our schools and are always willing to help each of us in making our programs the best.

The IHSADA state convention is focused on benefiting you – the membership. It is a great opportunity to rekindle old friendships, make new friendships, relax, and hopefully pick up some ideas that each of us can bring back to our own situations. What a great way of growing professionally while picking up new ideas to benefit our student/athletes! Especially thanks to Jim Gebhart, Brad Rose, and Brent Cook for providing the invaluable LTC classes. If you know of a first-time attendee, please take the time to welcome them to the IHSADA convention. Thanks to Mike Hansen and his work with the exhibitors. Please take the time to visit the exhibitors in the hall. Without their generous contributions, the convention would not be possible.

Within the convention, please take time to congratulation our award recipients – service award winners, media and doctor awards, administrator, AD award winners, and AD hall-of-fame recipients. What a tremendous group of individuals we have to recognize. Thanks for Ken Blackman and his committee on honoring this great group of individuals.

I would like to thank several groups of people that have been important to me. Thanks to the membership who elected me to the Executive Board; the Board of Directors for working hard at reaching record membership; to the Johnston Board of Education and administration for their support of allowing me to be an active part of the IHSADA, and to my family and especially wife Diane for encouraging me to take on this very satisfying leadership position.

In closing, have a great convention!! Enjoy the camaraderie, fellowship, and educational opportunities available within the convention.

Yours in sport,

Gary Ross, President, IHSADA
