

Student Experiences

The following students have earned an ILET certificate. Each student has provided evidence of their potential to become future leaders of educational technology with intercultural understanding. Evidence includes:

- Experience as a visiting scholar in a foreign culture, normally through and ILET Internship, or ILET Summer Academy overseas, or both.
- An artifact suitable for publication in the Student Experiences section of the ILET web site that disseminates the value of their ILET experience(s).
- A publication informed by their growth in intercultural understanding at their level of graduate education.
