* Majors are counted for both on- and off-campus students.

† For undergraduates with more than one major, each of the majors is counted in each of the administering departments. Similarly, the bachelors degrees are counted in each department administering the major in which the degree is awarded. They are counted only once in the All Colleges and the University totals.

†† Departments administered by two colleges.

††† The SCH per FTE ratios for the colleges exclude SCHs with no associated instructor FTEs; the All Colleges ratio also excludes Veterinary Medicine.
