

# Lynn Salvatori Palm

One of the foremost and respected horsemen in the world, Lynn Salvatori Palm is a pioneer among women in the horse industry. For more than 30 years, Lynn Palm has championed the partnership of horse and rider, bringing her unique perspective to hundreds of thousands of horse enthusiasts around the world. Through "Palm Partnership Training...Taking the Next Step," Lynn Palm presents methods that increase the enjoyment for both human and horse that can be gained from each riding experience, no matter if they are just beginning their riding adventure or learning to love it again.

One of the few clinicians available today with a proven competition record, Lynn Palm's list of accomplishments include:

- Named one of the top clinicians in the United States by *Horse & Rider* magazine
- Featured clinician at Equitana USA
- Named the AQHA Female Equestrian of the Year by the Women's Athletic Association
- A Record "4 AQHA Super horse Wins"
- Over 50 Bridleless Dressage Exhibitions to Music throughout the United States.
