Experience

Teaching Assistant2004 to present
Recitations for master and undergraduate level classes of mathematics and quantitative methods applied to economics.

Research Assistant, UNL2002 to 2004
Research activities on agricultural market structure with emphasis on Industrial Organization.

President, AGRICOB2002 to 2004
AGRICOB is the business club of ENESAD. My major role was to manage a team. I have notably to negotiate contracts, set up the objectives, animate the reunions...After having set up a website, and develop various communication tools, our business club got contracts with notably AGROFOODTECH and the CREDIT LYONNAIS.

Exhibitor Assistant, AGROFOODTECH 2001 to 2002
Formulation of Statistics Reports on Chinese agricultural provinces; survey of the effect of the China WTO entrance on the Ag-Machinery market; exhibitor representing ENESAD; monitoring of the show settlement and business trip in Shandong province.

Internship, Clemson Extension Service (South Carolina)2000 to 2001
Study of the American cereal market and the agricultural system in South Carolina; oral presentation for the Soybean board of South Carolina on French agriculture.

Computer Skills Matlab, Stata and Scientific Workplace.
