Pohl Literature/Research Group Meetings • Spring 2012

Who? The undergraduate and graduate students and postdoctoral researchers of the Pohl group. *Attendance is required* for anyone registered for research credits.

When and where? Every Tuesday from 4:10 pm to 5:30 pm in Hach Hall 3140.

Why? To gain practice giving formal presentations, to discuss pertinent results from the scientific literature and our own labs, and to practice problems related to organic synthesis and mechanisms.
