CE 104 Civil Engineering Projects
Spring 2008

Assignment 7
Due Wednesday April 2 for last names beginning with A through G
Wednesday April 9 for last names beginning with H through O
Wednesday April 16 for last names beginning with P through Z

To be done individually, not in groups

Instructions:

The Program of Study (POS) and educational objectives can help you plan a successful curriculum. You must also complete a POS to receive a registration access number in the future.

By class time on the appropriate due date above, submit the following two items:

1. A completed educational objectives form
2. A completed advisor review form (below) signed by your advisor. The steps are
   a. Complete your POS
   b. Fill out the student information and advisor’s name on the form below.
   c. Take the form to your advisor and have the advisor sign and date the form after he or she reviews your POS.
   d. Return the form (not the POS) to the CE 104 instructor in class on the date assigned.

CE 104 Spring 2008
Advisor POS Review

Student Name (print): ____________________________________________

This student has developed their Program of Study (POS). I have reviewed the POS, and it appears to be complete.

Advisor Name: ________________________________

Advisor Signature: ________________________________ Date: ________________
