Name (optional) ____________________________

1. Would you like me to re-choose homework teams?
   a. Yes
   b. No
   c. I would rather work alone.

2. Explain how your team solves the homework problems:
   a. We solve the problems individually and meet to check our answers with little discussion.
   b. We work individually and have quite a bit of discussion of our solution methods.
   c. We solve most of the problems together; we would not be able to make much progress alone.
   d. We rely mostly on one person to provide the answers.

3. By working in teams are you learning the material better, about the same, or worse than you would working individually?
   a. Better
   b. About the same
   c. Worse

4. What is your team doing well? What might your team improve?

5. What advantages and disadvantages about working in teams have you and your teammates encountered?

6. Are the lectures too fast, too slow, or about right? Do you like or dislike the in-class exercises? Is the material too easy, too hard, or about right? How about the exercises vs. homework problems?

7. Other comments and suggestions (on teams, homeworks, class material, etc.):
