

Sociology/Relig 377 Student Feedback (Spring 2009)

YOUR NAME: _____

1. Please evaluate the course textbook—Christiano et al.'s *Sociology of Religion*. How much of it did you read and would you recommend using it again? What should the instructor tell Christiano et al. to change?

2. Please comment on specific readings from the course pack. Which ones were most interesting to you? Which ones did you find the least useful? Which should be eliminated?

3. Please comment on the topics covered in the class. Which topics were most interesting to you? Which topics were least interesting? What topics would you like added to the course?

4. Please evaluate each of the different types of assignments in the course—observation assignments, quizzes and exams. For each, explain whether you found it helpful in learning course material, whether it should be used again and how it could be changed to make it more valuable. Also, are there other assignments that should be added to the course?

5. Please evaluate the way class time is used. Would you like more or less lecture? Discussion? Are there other ways you would like class time to be used?

6. Do you have any other suggestions for how the class can be improved? Is there a way that the class could better challenge you or teach you more valuable things?
