Due to a variety of meetings and commitments, I do not have a consistent weekly schedule this semester. I will also be splitting my time between two offices. I will generally be at my CELT office (3024 Morrill Hall) during the times shaded red and my ABE office (104 I. Ed. II) during times shaded yellow. If you want my undivided attention during office hours (or at other times) please schedule an appointment with me. However, my door is always open, you are welcome to stop by either office outside of my designated office hours.
