WWF Royale Shoot-out at the O.K. Corral (PPV)

June 11 (7 p.m.)— Live from the O.K. Motel, Casino and Convention Center in Las Vegas, Nevada.

World Heavyweight Champion: **Jumpin' Jack Flash**

Intercontinental Champion: **'Northern Star' Pirate Pete**

Tag-Team Champions: Vacant

The Shoot-Out is a combination of two events: a random partner tag matchup followed by an “over the top rope” rumble (the shoot-out) which immediately follows the tag team event. Each person gets dealt exactly one card to determine the order in which they will appear in the shoot-out based upon the tag team results. Tag team winners draw red cards (with one joker) for the shoot-out while the tag team losers draw black cards (with one joker). Tag teams which draw and a 21st mystery wrestler(?) draw from the remaining combined red and black cards. In the shoot-out “top rope” rumble, contestants come in by card drawn (low to high by suit: Spades, Clubs, Hearts, Diamonds)— one every 45 seconds. Jokers take the place of any face card and displaces the face card contestant until the next interval. Contestants are eliminated on submission, pinfall, disqualification or being thrown over the top-rope and then must leave the auditorium. First place finisher receives one title shot (first choice). Person who eliminates most wrestlers from the shoot-out receives one title shot (second choice). Third place finisher receives one title shot (third choice). Second place finisher gets nothing!

Let the Tag Shoot-out begin!

Las Vegas Shoot-Out Random Partner Tag Tournament – 6 minute time limit

- **Flashpoint:** J. J. Flash & Turbo Thompson (vs.)
- **Team Kracken:** Mutant & Surfer Dude
- **Corps:** King J. Lawlyer & Drill Sgt (vs.)
- **TechnoForce:** Prince Honors Student & Techno Thompson
- **Tidalwave:** Lenny, the Pipefitter & 'Northern Star' Pirate Pete (vs.)
- **Legendary:** The Legend of Actura & Little Green Man
- **West Coast Connection:** Johnny Vogue & Billy Banzai (vs.)
- **The Posse:** The Marshall & Lone Star Kid
- **The Immortals:** Thor & Golden Dragon (vs.)
- **Tumbleweeds:** The Rustler & The Ox

*High poker hand (joker's wild, five card stud) amongst five tag contests gets title match. Poker hands also determine order of matches. New champions to face Lenny & Pirate Pete during next tour unless L&P champs then they face Laserburn or #1 contender.

Deal the cards. Let the Royale Shoot-out Commence!

During the singles part of the shoot-out the Prince and King titles will be 'on the line'. If anyone throws out, pins or submits Prince Honors Student or King Jerry Lawlyer then they get that person's crown. Also remember that the Prince's title is unsanctioned and can be lost by count-out or disqualification while the King retains his title under those two conditions.

Jumpin' Jack Flash has also decided to put up the HeavyWeight Title against the Mutant in the Shoot-Out. If the Mutant agrees, whomever goes in first between Flash and the Mutant- the other will ignore the card he's been dealt and immediately follow 45 seconds later. After that- if anyone throws Flash over the top rope, pins him or makes him submit, then they will be the new Heavyweight Champion!

Results of the Tag Shoot-out Matches:

• **1. Tidalwave:** Lenny, the Pipefitter & ‘Northern Star’ Pirate Pete (vs.) **Legendary:** The Legend of Actura & Little Green Man ***For the Tag Team Championship!*** Evenly fought match with Lenny and Legend doing most of the work. Ends comes when Pete (near time-limit) tossed Legend out of the ring and took count-out victory. **Tidalwave by count-out.** No new tag champs so next match gets title shot.

• **2. West Coast Connection:** Johnny Vogue & Billy Banzai (vs.) **The Posse:** The Marshall & Lone Star Kid ***For the Tag Team Championship!*** Very even match with the Marshall and Lone Star Kid showing a lot of tag team coordination while the West Coast Connection survived on guts and raw talent. **Time Limit Draw!** No new tag champs so next match gets title shot.

• **3. The Immortals:** Thor & Golden Dragon (vs.) **Tumbleweeds:** The Rustler & The Ox ***For the Tag Team Championship!*** You know there is trouble on a tag team when managers begin to scrap outside the ring. Loki attacked Fujisan with Thor’s Hammer and then Thor bodyslams Fujisan on the ringsteps. Thor & Loki then head for the locker room as Ox puts the final three count on the Golden Dragon! **Tumbleweeds new Tag Champions!** Fujisan taken out on a stretcher to a nearby hospital.

• **4. Corps:** King J. Lawlyer & Drill Sgt (vs.) **TechnoForce:** Prince Honors Student & Techno Thompson. The Sgt. and the King just never got along. Technoforce rolls over the King and Techno gets the pinfall as the Sgt. leaves the ringside area early. **Technoforce by pinfall.**

• **5. Flashpoint:** J. J. Flash & Turbo Thompson (vs.) **Team Kracken:** Mutant & Surfer Dude. Surfer dude never even shows up for this match as the Mutant devours both Flash and Turbo eventually getting a count-out victory over Flash. Dude shows up for the celebration and Mutant chases him back to the dressing room. **Team Kracken by count-out.**

Shoot-out lasted 43 minutes. LGM stayed in the ring for the longest time (28 min.). S.A.M. trips King with trip-wire and tosses him back into the ring after he tried to leave match. Disputed call when Thor tossed out King onto apron and then pushed him to the floor. Ref. J.M. stated Thor had eliminated King but Ref. D.H. overruled call and stated that the King had not gone over top rope. • • Marshall takes tag and intercontinental bullets while • Prince get the Heavyweight bullet. Western Wrestling Federation ‘Return to Reno’ Tour

Commissioner: Joe Tunney

World Heavyweight Champion: **Jumpin’ Jack Flash** with Glitter

Intercontinental Champion: **“Northern Star” Pirate Pete**

Tag-Team Champions: **Tumbleweeds: Ox & Rustler**

‘Return to Reno’ Tour Matchups:

- **Prince Honors Student — Little Green Man (No Grudges Held!):** This is a re-match of last year’s ‘Match of the Year’. The Prince’s title may not be on the line but after the way LGM went after the Prince in the ‘Shoot Out’ there is definitely a score to settle here. (Alt. B.B. & Sgt.)
- **Ox or Billy Banzai — Golden Dragon (The Skies the Limit!):** The Ox is feeling so good about throwing out the LSK and Lenny in the ‘Shoot Out’ that he challenges the Golden Dragon to a match which he feels he can easily win. But has the Ox taken the craftiness of Fujisan into account?
- **Surfer Dude — Mutant (You Abandoned Me Match!):** The Mutant has been trying to get to Surfer Dude ever since Dude failed to show up for their tag match at the ‘Shoot Out’. The Mutant won that match and is now out to get even with the lazy surfer and break him in two.
- **Alt. Main Event: King(?) Thor — Legend of Actura in a coffin match! (The Coffin Match):** The Legend of Actura is upset with Thor for throwing him out at the ‘Shoot Out’ and vows to end this tyrant’s reign in a sealed coffin while Thor is looking to put a big black mark on the Legend’s nearly perfect career.
- **S.A.M. — Drill Sgt. (Assassin Match):** The Drill Sgt. wants another shot at the Prince but S.A.M. says that he’ll have to go through him to get one. The Sgt. looks mean but S.A.M. always has a trick or two up his sleeve.
- **Harlequin — The Marshall (Last Man Standing Match):** The last two in the ‘Shoot Out’ were the Marshall and the Harlequin. The Harlequin complained that he almost had the Marshall and demands a match on even ground to prove his point. The Marshall is quite willing to accept the Harlequin’s invitation and put this sad clown out of his misery once and for all.
- **Thompson Twins or Tidalwave — Pulp Fiction or Posse (Tag Team Contender Match):** Four tag teams square-off in a single elimination tournament match-up to see who gets the next title shot at the ‘Tumbleweeds’ (the so-called tag team champions).
- **Main Event: *Jumpin’ Jack Flash — **‘Northern Star’ Pirate Pete (*Heavyweight Championship Match*):** Jumpin’ Jack Flash wants back is B.O.T.W. title and challenges Pirate Pete to a ‘Title for Title’ championship match. This might not be overly wise with Jack having managerial problems as Glitter, Loki and Financial Advisor Prince Honors Student will all be at ringside to see how it all goes down. Fireworks will be flying on this one!

Possible Monday Night Rumble Matchups:

- **Loki — Mutant (One Minute Match):** The Mutant still looks to make Loki pay for leading Thor “into the darkness”.
- **Vogue — Techno (Int. Contender Match):** Both Vogue and Techno have good records but who will go on to be the next Int. contender.
- ***Tag Title Match*: *Tumbleweeds — #1 Contenders** The Tumbleweeds fresh from their ‘shoot-out’ victory take on the #1 tag team contenders for the belts. Are the Tumbleweeds ‘paper tigers’ or will they survive and be victorious?

World Heavyweight Champion: **Jumpin' Jack Flash**

Intercontinental Champion: **"Northern Star" Pirate Pete**

Tag-Team Champions: **Tumbleweeds: Rustler & Ox**

TV Champion: **Billy Banzai**

Commissioner: Joe Tunney

Note: One "tour" bus arrived very late due to severe weather conditions so many scheduled matches were altered. Prince injured by mysterious cloaked figure as he was entering locker room. Seen at top of show getting medical attention for his leg.

"Return to Reno" Round II – Part One Results:

- **Marshall vs. LGM** originally was Marshall vs. Surfer Dude
Heavyweight Contender match with the loser returns to the lightweight division.
LGM in a long matchup shows its unique PPV luck and powers by defying the odds and defeating the Marshall in a long and surprisingly well-executed opening match. **Result: LGM by submission.** Marshall returns to the lt. division.
- **Techno Thompson vs. Golden Dragon** with Fujisan- was Vogue vs. Dragon
Intercontinental contender match. Fujisan couldn't help the Dragon enough and he goes down quickly to the ex-Tag Team Champion due to a possible fast count by Ref. Dave Hebner. **Result: Techno by pinfall on a fast count.**
- ***Tumbleweeds vs. Pulp Fiction – Gold Bullet Challenge!**
For the WWF Tag Team Championship!
Tumbleweeds get \$10,000 for showing up to match and if they win they additionally get the Regency's Gold bullet. Tumbleweeds allow King to substitute for the injured Prince after receiving \$10,000 fee from King for showing up. A long match ensued that could have gone either way. In the end, either King pins Rustler or Rustler pins King. Ref. Joey Morella accidentally crowned by Surfer Dude during Regency/Tumbleweeds melee on way to give announcement concerning his match decision. Ref. and Ox taken out on a stretcher during post-match and initially "no result" is given for the match. In the back, Regency parties about the Pulp Fiction victory.
- ***Pirate Pete vs. Lone Star Kid** was Pete vs. Billy Banzai
For the WWF Intercontinental Title.
In a long endurance match in which the Lone Star Kid showed a surprising amount of durability, Pete eventually tires the LSK out and pins him in the center of the ring. **Result: Pirate Pete by pinfall-retains Int. Title** but a good try by LSK.
- **Wyld Stallyons vs. Posse-** tag contender match
Student Prince shows up limping but King Lawlyer insists that Prince wrestle so that the Prince can get his royal stipend. Prince makes a deal with Posse so that Harlequin can substitute for Prince for first tag. Match starts as LSK manhandles Surfer Dude. LSK tags the Marshall who can't keep up the momentum. But Dude tags Marshall's old enemy Harlequin and the Marshall rises to the occasion. Another tag is made and Harlequin nearly puts away the Lone Star Kid. Tags on both sides and in comes the Prince and with a sneaky rollup he pins the Marshall! **Result: Wyld Stallyons by pinfall! First ever tag win ever for the Stallyons!**

At this point, Joe Tunney comes to the ring and states that the referee of the Tag Title match is not yet conscious but that he had another ref. at ringside and that he will allow the Student Prince make the final match decision. Prince, a personal friend of Ref. Joey Morella, declares the Tumbleweeds Champions by Rustler pinning the King. **Result: Tumbleweeds by pinfall. Tumbleweeds retain tag belts.** Rustler celebrates near Prince while Regency drums out Prince and King declares that Prince must wrestle at this PPV or he will not get his royal pay.

Note: At this point, with a massive storm underway outside- a Mobil Oil truck ran over the transmission cable and show ends in sudden darkness just as the Greyhound "tour" bus arrives.

Surfer Dude runs in and “accidentally” hits Harlequin with surfboard when it looks like he was going to hit the Mutant. Flash then pulls out all the stops and wins by pinfall with a handful of tights. **Result: Jumpin' Jack Flash by pinfall. New Heavyweight Champion!**

Joe Tunney declares Mutant vs. Flash re-match that will be “even-up” for the second half of the PPV from Bismark. He also announces an “over the top rope” match that **everyone** will participate in Bismark with the winner receiving an immediate title shot.

- **Billy Banzai (TV Champ.) vs. Lenny**

Billy says he'll take on anyone and out pops Lenny- his old tag partner. TV belt not on the line but a grudge match at its best. Fujisan pops out to support Billy. **Result: Double Count-out!**

- **Student Prince vs. Drill Sgt.** - grudge match

King insists that Prince wrestle the Drill Sgt. for disobeying him at the PPV when he declared Tumbleweeds as Tag champions. Prince limps with a great deal of effort to the ring as the Drill Sgt. impatiently waits. Match begins. Prince stays in his corner and surprises the sarge when he comes over with some tricky moves ending with a rollup. **Result: Prince by pinfall.**

After the match, a juvenile detention facility van rolls into arena and king orders his “security force” to grab Prince. Prince struggles but is subdued by security force with a baton to the knee. Thompson Twins arrive to break-up the capture followed by the Marshall and Lone Star Kid. Prince loses his crown in melee. Drill Sgt. strolls over to King near the van and cold cocks him. Drill Sgt. snags both the King's and Prince's crown and marches back to the locker room while the Thompson Twins subdue the security forces and help the ex-Prince to the exit. Meanwhile Mutant runs to the ring being chased by Thunder Bay police. The police shut down the arena just as the WWF wrestlers and officials escape the building with the exception of the Mutant and the King who are both arrested for disorderly conduct. The King is later released.

“Return to Reno” Round II – Part Two PPV Results:

- **Jumpin' Jack Flash vs. Mutant - Heavyweight Championship Match**

LGM substitutes for Mutant who is still being held in Thunder Bay. In long match, LGM puts up a valiant effort but he tires and is put away with a some outside “help” from Glitter. **Result: Flash by count-out.**

- **Mandatory Over the Top-Rope Challenge- Winner gets immediate shot at any title.**

Ex-prince (no shows via satcam) but actually in crowd and sprays King with fire hose before he limps to ring with a huge cast on his leg. Flash, Golden Dragon and Drill Sgt. leave match before it really begins. LGM stomped on by Thor outside the ring and is taken off on a stretcher. **Result: Billy Banzai wins Challenge!** Banzai challenges Pirate Pete for the Intercontinental Title!

- ***Western Star Pirate Pete vs. Billy Banzai with Fujisan Intercontinental Title Match**

Both Pete and Banzai very tired after the Over-The-Top rope challenge. Strong match that could have gone either way. Fujisan helps with cane from outside and steals treasure chest during match. Billy Banzai hits with his spin kick and finishes up with a cheap rollup on a quick count for the win. **Result: Banzai by pinfall! New Intercontinental Champion!**

WrestleWAR. Three Rings. No Waiting. No Way Out. Six teams of three wrestlers compete for over \$100,000 in victory spoils.

The WrestleWAR consists of three rounds:

1. **The Skirmish:** Singles match. Group leaders pick a singles contestant and a ring plus an alternate ring. Tie rings decided by high card. Losers die and go to the Graveyard (one-way locker room).
2. **The Battle:** Tag match. Group leaders pick a tag team and a ring plus an alternate ring. Tie rings decided by high card. Losing wrestler (not whole tag team) goes to the Graveyard.
3. **The WrestleWAR:** Three Ring Boot Camp Match. Group leaders write orders and secretly assign their men to War rings for a two minute round of combat. May bring one item with you to ring but if you lose— the item stays. Group leaders write new orders every two minutes. Once leader goes in— group can no longer move from ring to ring between rounds unless unchallenged. Men can go “rebel” anytime during a War round by rolling into the center ring triangle named the DMZ. War continues until one team controls all the rings or until one team controls two rings and another team controls the third ring and peace is declared and accepted. Wrestlers also receive \$2,500 for each elimination they make as a bounty.

Winning team leader receives \$50,000 for a two team victory and \$75,000 for a one team victory. A winning Ally team leader receives \$30,000 for controlling one ring.

Intercontinental Champion: **Marshall**

Tag-Team Champions: **Mutes: Mutant & Student Patriot**

TV Champion: **Thor**

Commissioner: Joe Tunney

‘Wild, Wild West’ Tour Matchups:

- **Grudge Match: Pirate Pete vs. Rustler**
Pete thinks the Rustler got lucky at the PPV and challenges him to a rematch. The Rustler doesn't remember the PPV but takes the challenge anyway.
- **Hardcore Match: WAR vs. Johnny Vogue**
Vogue hasn't been watching what papers he's been signing and ends up in a hardcore match versus WAR. (Sub. Midnight Rider as needed.)
- **For the ‘Western Star’: *Southern Cross Turbo Thompson vs. Techno Thompson**
A lot of strange stuff going on here as it's brother versus brother. Last time they went to a time limit draw at the PPV. Will Turbo get sneaky and pull through again?
- **Corporal Punishment \$10,000 Challenge: Drill Sgt. vs. Harlequin vs. Student Patriot**
with Comrade Lenny. ● Match Stipulations: If Drill Sgt. pins or makes Student Patriot submit then he gets a separate Corporal Punishment match immediately after this match with the Student which if the Student loses he gets paddled in the ring by the Sgt. The money goes to the Sgt. if he paddles the Student or to Harlequin if he initially wins the three way dance. You can be sure that the Commandant will be there with his shockstick to regain his poor Student who's been brainwashed by Comrade Lenny. (Sub. Lenny for Student and Golden Dragon for Harlequin in a Flag match while Student is out.)
- **Co-Main Event: Int. vs. TV Champion Matchup: *Marshall (Int.) vs. *Thor (TV)**
This is a thirty minute Intercontinental title for TV title grudge match. (Sub. Billy Banzai for Thor and a No DQ/No Countout rule match if Thor “no shows”). Marshall's been waiting a long time to get back at Thor but Thor's hungry for the gold.
- **Intermission** (Push treasure chests and give away Southern Cross promo stars and Thor mini-racks.)
- **Tag Team Contender Match: Pulp Fiction vs. Posse**
Reunited again- Regency members S.A.M. and Surfer Dude take on the Marshall and the Lone Star Kid to see who will challenge next for Tag Gold. (Sub. Tumbleweeds/Titlewave as needed.)
- **Little Green Man Galactic Challenge Match**
The LGM puts his spaceship on the line against one of the two biggest desperados that the Western Wrestling Federation has to offer: Ox or Midnight Rider.
- **World Heavyweight Matchup- *Legend of Actura vs. Jumping Jack Flash with Glitter**
with mutual match stipulations. Actura used the Regency to get by Flash at the PPV but will justice finally prevail and Actura's winning streak be ended? Both sides have under the table deals on this one. Possible steel cage match.
- **Co-Main Event: Unknown Partners Tag Team Championship Three-Way Match: Mutant vs. Techno vs. Thor**
With the Team Team Title vacant, this is a classic three-way championship match for the Gold. Mutant and Techno and Thor can each bring a partner to the ring to go for the vacant Tag Titles. Three men in- first team to score a pinfall or submission wins. (Possible Tumbleweeds substitution for Thor.)

Possible Monday Night Rumble Matchups:

- **Marshall vs. Billy Banzai** Intercontinental Title rematch.
- **Tumbleweeds vs. Titlewave** Tag Contender matchup.
