Change in Hours per Year – Fiscal year 2005 will be 8 hours less than fiscal year 2004. UNI and Iowa will be sending out a notice to all their S&C employees to let them know this. On July 1, 2004, our salaries are calculated at a certain number of hours per year. This next year our salaries will be 8 hours less, which will be divided over the entire year, making our paychecks slightly less than they are this year. AFSCME is sending a notice out to merit employees. S&C employees won't receive a notification so we should probably send something out. Salary for faculty and P&S is estimated to increase 1-2% after funding the merit increases.

**Speaker**

Judy Dolphin, the Director of YMCA presented information about the YWCA here on campus.

The meeting was adjourned: 2:20 p.m.
