

Stat 543 Spring 2005

Instructor : Prof. Stephen Vardeman
304-D Snedecor Hall
vardeman@iastate.edu
<http://www.public.iastate.edu/~vardeman/>

Phone: 294-2535
Fax: 294-4040
Office Hours: 10 M/W/F

Assistant: Lu Lu
302 Snedecor Hall
icyemma@iastate.edu

Phone: 294-5335
Office Hours: T/R 2, F 1

Textbook: *Mathematical Statistics: Basic Ideas and Selected Topics* Vol. 1, 2nd Edition by Bickel and Doksum

Other Useful Books: *Statistical Inference*, 2nd Edition, Garthwaite, Jolliffe, and Jones
All of Statistics: A Concise Course in Statistical Inference, Wasserman
Statistical Inference, 2nd Edition, Casella, and Berger
Mathematical Statistics, Knight

Class Schedule: 9AM MWF

Final Exam: 7:30-9:30AM Tuesday May 3rd

Course Grading:	Exam 1	25%	(2/21/04 7-9 PM 2245 Coover)
	Exam 2	25%	(4/4/04 7-9 PM 2245 Coover)
	Final Exam	40%	(5/3/04 7:30-9:30 AM Location TBA)
	Homework	10%	

Schedule: Vardeman will be out of town Wednesday March 3. In order to make up this lecture in advance, the 9 AM lecture on the day of the 1st exam (February 21) will NOT be cancelled. There will be no 9 AM lecture on April 4, the day of the 2nd exam.

Homework: Homework will be due on Fridays, at 5 PM at the TA's office. Copies of the assignments and solutions will be posted on the course homepage

<http://www.public.iastate.edu/~vardeman/stat543/stat543.html>

You may ask Vardeman (or Lu) for (limited) help with the assignments. And you may discuss the homework with fellow students. But each individual must independently write up his or her own assignments for turning in. **This is an integrity issue.** Do **not** copy what someone else has written and turn it in as your own. If some computations are needed, do **not** use someone else's code.
